Catacomb Memories

by Dan Senn

- An installation of kinetic sculptural instruments with 40 channels of voices and projected video.
- An ethnographic exploration of depression era stories told by the survivors of a failed rural cave enterprise, once the burial site of Native Americans.

Diapason Gallery
1026 Sixth Avenue, # 2S
New York, NY 10018

Saturdays, 6-11pm, December 1, 8, 15
